Publication Process & Timeline

nova science publishers

STEP 1

SUBMISSION

Author/Editor submits manuscript to contracts@novapublishers.com or by using our online form

STEP 2

SUBMITTED MANUSCRIPT REVIEW

2-4 Weeks

STEP 3

PEER REVIEW

If peer-reviewer accepts, one month is granted for manuscript review. Reviewer comments are then sent to the author(s)/editor(s) by Nova, who have 3-4 weeks to implement changes. If peer-reviewers decline, the manuscript proceeds directly to Production Department Review.

STEP 4

PRODUCTION DEPARTMENT REVIEW

2-3 Weeks

STEP 5

FORMATTING / PAGE LAYOUT

4-6 Weeks

STEP 6

PAGE PROOFS

2-3 Weeks

STEP 7

BOOK ANNOUNCEMENT

Book is featured on our website and is available for preorder

STEP 8

PRODUCTION

2-3 Months

Cover design, editorial corrections, indexing, printing and binding

STEP 9

BOOK IS PUBLISHED

Book is available for purchase worldwide

Overall timeframe of publication is approximately 6-12 months, unless delayed by authors/editors at any stage.
